ABS Material

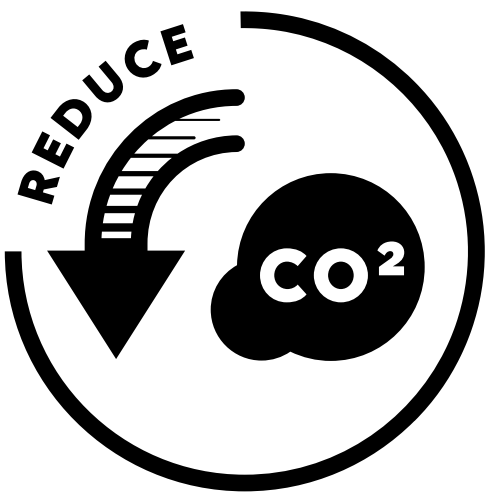

Eco-Efficient and Durable

Our hangers are made from high-quality ABS – a lightweight, exceptionally durable, and fully recyclable material. Its eco-friendly properties help reduce the carbon footprint during production, making it a responsible choice for modern manufacturing.

ABS is also fully customizable, virtually unbreakable, and comes with a warranty of up to 10 years, offering long-lasting reliability for everyday use.

ABS is 100% recyclable.

You can lower your carbon footprint today.

Reduced weight without compromising strength.

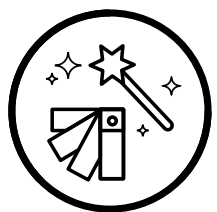

Enjoy a 10 year warranty.

High-quality, durable, unbreakable, and fully customizable
